

FISCAL NOTE

HB 492 - SB 672

February 12, 2005

SUMMARY OF BILL: Changes the definition of adult bookstore to include businesses that sell, as some or all of their stock or trade, adult novelties, risqué gifts or marital aids that are, regardless of how labeled or sold, sexually oriented. Currently, the definition states that the sale of these items must be the principal or predominant stock or trade of such businesses in order to be classified as an adult bookstore.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumption:

- The number of additional businesses that would fall under the expanded definition of adult bookstore would not significantly increase the number of permit applications received by local governments.
